HOW DO I PAY?

You can expect to hear from us with details on how to pay at the end of July / beginning of August.

You will be able to pay your fees online, on the phone, or in person, either in full or with monthly payments.

First payments must be made by the first session so keep an eye out for this email and let us know if you don't receive anything by mid-August – we don't want to have to turn anyone away due to over-enthusiastic email filters!

CAN I GET HELP?

All students are invited to apply to the means tested David Goldman and Netherton Park Trust Bursaries for our Ensembles; the application form and further information is available on the acceptance web page.

If you are a member of the Centre for Advanced Training and receive an MDS grant, then any remaining grant will be used to pay for your ensemble fees before you receive any money from the David Goldman and Netherton Park Trust Bursaries. We make these calculations for you, and we would always encourage you to apply to both.

NB: The amount of grant available to distribute can vary, and therefore you may not always receive the same amount of assistance year on year. For further information on available grants – both those provided by Sage Gateshead and those provided by other charitable trusts – please see the 'Bursaries' box on the front page of our website (www.sagegateshead.com/youngpeople)
