

FAIR & SQUARE

Be Considerate

- All of you should be free to explore music in a safe and encouraging environment. We do not tolerate bullying of **any** kind and any report of bullying is dealt with extremely seriously.
- Please respect our spaces, furniture, and pianos.
- Look after any music you are given.
- Your tutor knows what is best for your musical development so check in with them before giving any performances or entering competitions.
- Arrive on time (or even better 10 minutes early!) for your rehearsals and lessons.
- Please do not upload any photos or videos of any other students on to social media without talking to them and/or us first – we may not have permission.

Look After Yourselfes

- Your belongings are your own responsibility – always bear in mind we are a public building.
- Students are required to sign in and out each day.
- Students of Foundation and Step-Up Programs should remain in the care of a parent / carer / trusted adult while on site.
- Students should not leave the building or activity until the end of a session unless previously arranged.
- Alcohol, drugs or any other illegal substances must not be brought into The Glasshouse or taken at any time during activities.
- If you need us to do anything to help you be comfortable, please don't be shy about letting us know.

Keep in Touch!

- Our main form of communication is email, so please do check your emails regularly and make sure we are on your safe lists.
- Please let us know quickly if any of your contact details change.
- Email us on youngmusicians@theglasshouseicm.org if you have any problems on the day of a lesson or rehearsal, such as transport delays, illness etc.
- If you can't attend any scheduled sessions, please let us know well in advance by email. If you miss quite a few sessions, we may need to chat about whether you can take part in the performance.
